# Excellence in education and fostering the love for learning.

**Annual Report – Academic Year – 2022–2023**

## Ms. Alpana Bavejaa

A passionate educator with around 20 years of rich, diversified leadership experience in prestigious schools across the country. Her experience in different types of curricula including Cambridge, CBSE & ICSE, has helped prove her proficiency in launching new schools as Founder Principal and scaling the same as niche' institutes. Recipient of several prestigious awards has led schools to win prestigious honours and accolades. A voracious and published author and an excellent hands-on trainer and speaker. She is a firm believer in the philosophy of giving precedence to learning over education. She is keen about promoting self-learning in a conducive environment that fosters creativity, freedom, joy and bedrock values. A passionate mentor, she firmly believes that there is no greater responsibility and privilege than grooming the next generation.

Her dynamic leadership has-

- . Given an impetus to academics
- . Given a boost to co-scholastics
- . Won trust of parents seen in increasing no. of admissions
- . Resulted in a motivated team of educators
- . Established systems and procedures aiming at academic and administrative excellence

# Academics

***“Education is not preparation for life, education is life itself.”–John Dewey***

True indeed, it is a lifelong process. It is a high return investment in knowledge. “Academic achievement describes academic outcomes that indicate the extent to which a student has achieved their learning goals.

Teachers at Mount Olympus School are committed to facilitate the journey of a learner with the focus to help him/her carve out an exclusive niche and are able to maximize their potential.

The Annual Academic Achievement Awards ceremony was organized on 24 December 2022 to recognize outstanding student’s achievements in a variety of categories such as curricular as well as co-curricular activities. The top performers in different subjects as well as overall performers in the respective class were awarded on that day.

**Gandhi Jayanti** – Honoring the legacy of Mahatma Gandhi, the father of our nation, on this auspicious Gandhi Jayanti. Let's strive to be the change we wish to see in the world.

# Celebrating Diversity

# Mount Chronicles

As part of our endeavors to provide diverse opportunities to our learners and creating lifelong memories, we launched 'Mount Chronicles' in the last academic session. This magazine is result of our students' efforts who have created the content, designed the layout, edited and published it independently. It's a testimony to the capabilities of our students, team work as well as the magic created by provision of diverse learning opportunities to these youngsters.

# Lifeskills based curriculum

# Teacher Empowerment Programs

To foster the spirit of lifelong learning, to upgrade and ensure future readiness, to upskill to stay relevant, to stay updated and learn new skills, to be able to add value to individual pursuits, to facilitate personal & professional growth and development.

# Staff Welfare

In the interest of the employees to enable team members to perform their work in healthy and favorable environment improving efficiency of workers and keeping them content, thereby contributing to high employee morale.

# ENVIRONMENT EDUCATION & SUSTAINABILITY

**Earth Day**– “A green future is a prosperous future”– The future calls for sustainability. Marking the significance of earth day – ‘Earth Week’ was celebrated at Mount Olympus School, Sec 47, Gurugram from 17th to 21st April 2023 across school including Pre-Primary-XII. The objective was to empower students to take action towards sustainability, building sustainable habits in children like –reuse, recycling and reducing and to encourage young learners to unleash their imagination and creativity to be part of the solution not the problem.

**World Environment Day**–Young Learners of pre-primary were engaged in experiential learning activities like –germination of seeds, Waste management, sensory Ocean, earth’s Birthday Celebration, Eco show was perfectly concluded by the primary wing with activities like –regard before you discard, slogan writing and my recycled innovation–best out of waste. The young leaders of our middle school took part in an Inter Class ‘Declamation Competition’ which served as an ideal platform for facilitating an exchange of ideas. They spread awareness amongst each other with their vibrant oratory skill. Senior school participated in a series of competitions focused at conservation like – poster making, my Earth, my Idea of conservation and my sustainable earth, monoacting, skit and dance performances.

**Green Holi:** Children were sensitized towards harmful effects of chemical based colours. They were encouraged to play holi with flowers with Krishna as an inspiration.

**Cracker free Diwali:** Crackers harm the environment in many ways so every year before Diwali young volunteers of the school visited door to door and requested people to take a pledge to reduce their carbon footprints and minimize air pollution and noise pollution by choosing not to burst firecrackers during the festival.

**Cleanliness Drive:** Mount Olympus School students organized a cleaning campaign as a part of the Swachh Bharat Abhiyan in school to raise awareness about the importance and advantages of cleanliness.

# ENVIRONMENT EDUCATION & SUSTAINABILITY

**Reduce of Paper Use:** The school stored as many documents as it can electronically, instead of printing them off and consuming papers. All communications with parents are done via email, WhatsApp and school ERP instead of sending them letters and circulars in hard copy. **Nutrition Garden:** School Nutrition Garden has been created in school in collaboration with the learners and the gardener in order to impart a lifelong skill of growing up their own vegetables, herbs and fruits.
