ENRICHMENT ACTIVITY
THEME : CORPORATE ROADIES
PROMOTE YOUR OWN PRODUCT
(OCTOBER - 2021)

A workshop on “How to promote our product-Social Advertising” was held which helped young minds to understand different social issues and how to create awareness among people for the same.

They took different social issues and very beautifully projected the existing problems and created TAGLINES through their creativity, so as to create awareness among people.

A competition to enhance their confidence and presentation skills was held on 28th October 2021, in which learners participated enthusiastically and came up with the unique ideas show casing immense creativity and knowledge of young minds.
