

GRADE VIII

ENRICHMENT ACTIVITY THEME : KALAKRITI (DECEMBER - 2021)

Mount Olympus School is committed to empowering its students and developing our children's creative vistas. Aiming this school organized an **Art Enrichment Activity** in the month of December.

It commenced with a workshop based on **Thermocol Carving** followed by an activity on **Pot Making**.

Pot Decoration Activity was conducted to enhance the skill to reuse the waste and discarded materials by using clay, M-seal Dough etc. The students were very enthusiast and were thrilled to see beautiful artefacts they created .

To keep the learners abreast with their self-exploration and discovery, a competition on **“Create a Caricature”** was organized.

Mount Olympians enthusiastically expressed their views on the given topic. Their caricatures showed in depth study of the topic from various perspectives. The thoughts sprouted out from their brains were creative and productive.
