Patriotism means a noble sentiment of love, pride and sacrifice for the sake of one's country and its people. Keeping this spirit high, learners of Mount Olympus School celebrated Independence Day in their own unique and colorful way.

Learners were introduced to various gallantry awards and real-life heroes who have won these accolades for their chivalry.

Mahatma Gandhi

- The Champaran Satyagraha, which is India's first Civil Disobedience Movement, was launched by Mahatma Gandhi in the year 1917. This vital movement in the history of India gave strength to the Indian citizens to raise voice against the injustice being done to them.
- Gandhi became a leading figure in the Indian home-rule movement. Calling for mass boycotts, he urged government officials to stop working for the Crown, students to stop attending government schools, soldiers to leave their posts and citizens to stop paying taxes and purchasing British goods.
- Rather than buy British-manufactured clothes, he began to use a portable spinning wheel to produce his own cloth. The spinning wheel soon became a symbol of Indian independence and self-reliance.

A follow up “**Gratitude Letter Activity**” was conducted based on this workshop. The learners wrote beautiful messages for their real-life heroes to show their gratitude towards
