Dear Parent,

Greetings!

This is to inform you that the students entering class V will have English as First Language and Hindi as Second Language mandatory. They are however, expected to choose their third language (which they will pursue till grade VIII) from either French or Sanskrit as per CBSE instructions.

Kindly give your choice of third language for your ward so that same can be put through preliminary processing for the new session 2022-23. No changes will be permitted once the choice is made.

Please find link below for the consent form and submit it latest by Thursday, 27th January, 2022.

CIRCULAR: CAREER GUIDANCE-Online Aptitude-Ability-Interest-Personality Testing for students of VIII-XII

Dear Parents,

We at Mount Olympus understand the importance of authentic and timely guidance in shaping future of our learners. We take pride in always striving to bring the best guidance in the interest of our learners. Keeping pace with the tech driven era it is with great pleasure we inform you that Mount Olympus School has collaborated an AI enabled student mentorship platform - Stride Ahead, New Delhi. Their Data driven career incubation support and personalized mentorship programs curated for beginners will help us in providing effective career guidance to our learners and make an early start to their journey of professional success in a simple manner. We believe in a 360 degree approach to career guidance that includes psychometric testing, creating awareness, traineeship/internship, skill building, engaging and empowering student and parents towards informed career choices and decisions, career counselling by experts with strong and credible experience.

Highlights of the Career Guidance initiative by the school:

- The psychometric testing will be conducted online for students. An exhaustive report will be generated and shared with the students on their school's email id.
- The report will give an in depth understanding of the unique psychological attributes of the learner and suggestion on selection of stream and career choices based on the report.
- Post testing both parents and students will be invited to join an online consultation with Career counsellors from Stride Ahead to understand and interpret the report.
- Parents can further fix an appointment and meet the school counsellor for detailed understanding and any career related concern for their ward, incase required.
- Students should fill their details in the Google form given below by 19.01.2022 to be eligible for the test and the procedure to be initiated.
- We solicit your cooperation and participation in this unique initiative taken by us in special interest of our learners.
- No fee will be charged from the students. The school will bear the entire cost.
- It is mandatory for students to be present and appear for the test.
- No prior preparation is required for the test.

Please find the detailed schedule below.

Dear Parents,

Greetings!!

This is to inform you that TOI and Times NIE are inviting students of classes 9th – 12th to participate in Times Masterclass program where world-renowned spiritual gurus and life masters like Sister BK Shivani, Yog Guru Dr. Surakshit Goswami and Aryavan McSweeney will be conversing with school students and sharing their experiences and learnings on various practical issues a child can face.

There will be a total of 6 sessions (2 parts each) scheduled between Dec 11, 2021 – Jan 23, 2022, which our students can attend by registering on www.timesmasterclass.com

Once students have attended a session, they can share their learnings by participating in the “Pen Your Learning” contest. Some of the best entries at the city and national levels will be recognized and rewarded.

**How students can participate:**

**Step 1** - Students need to register for Times Masterclass sessions on www.timesmasterclass.com.

**Step 2** - Students watch the session on the portal. Registered students will get a “Certificate of Participation.”

**Step 3** – Students to participate in the “Pen Your Learning” contest by clicking on the contest button on the session screen. On clicking, the students will be redirected to a google form (https://forms.gle/cXbcE6tgAYtv3Yzp8)

**Step 4** - The students fill out the form and share their learnings from a particular session they liked most in 50-60 words and submit their entry.

**Step 5** – An esteemed panel of Senior Editors will review entries from TOI, and best entries at the city and national level will be announced in January on Times NIE and TOI online platforms

- **A.** Top 3 entries from 16 cities will be gratified with exciting e-vouchers, along will an e-certificate
- **B.** The top 2 national winners will win an Air Purifier along with an e-certificate

After registering, Students will receive a confirmation email containing information about joining the meeting.

**NOTE:** Kindly inform the class teacher after registering Times Masterclass program.

Thank you

Happy Learning!

Dear Parents,

Greetings!

We are happy to initiate Google Classroom portal for our learners. Google Classroom allows you and your child to have access to course work at any time through the Internet and is accessible online and through any mobile devices with Internet capabilities—including iPhone, iPad and Android devices.

We are officially starting the online classes through Google Classroom from Thursday, 22nd July, 2021. Hope you all attended the detailed training sessions on the same and it was beneficial.

Few tips as a ready reckoner for you and your ward:

- The learners can access their virtual class room and find subject wise assignments posted by their teachers and students can submit back the completed worksheets.
- The school has generated email ID and password for each student from Mount Olympus domain name, @mountolympus.org. Your child’s user ID and password is already shared with you.
- Please note that the learners would be able to log in through their official login only and not from their personal email ID.
- Time table will be posted in the Google classroom and Parents are requested to ensure students attend the classes accordingly.
- The link to participate in the online classes will be made available by the class teacher through Google classroom.
- Guidelines for learners will be posted, along with the planned task/activity and will be found on either the stream or the class work section. Kindly help your ward to be prepared with the required materials and resources.
- Learners should try to complete the written work/activity that it is given by the teachers and submit it timely.
- Class Teachers will be available to provide all the required support.
- You have started receiving the subject-wise content and assignments w.e.f Monday, 19th July 2021.
Please follow the steps mentioned to enroll in the class: If its laptop or desktop,

1. You can accept the classroom invitation by clicking the “JOIN” button.

Dear Parent,

Greetings!

We at Mount Olympus believe in student centered learning which is based on the needs, abilities, interests and learning style of the students. The teachers as facilitators not only provide the learning environment within the classroom but help take their flight of imagination to infinity and beyond.

We are pleased to announce the start of Enrichment Activities based on the learning beyond the four walls of the classroom from the month of April and May. These enriching classes would be held on Friday mornings as a part of Academic Learning.

Taking it forward, the Enrichment learning for the month of April & May has been based on Social Etiquettes. The plan for the activities spread out over April and May is as follows:
